

# Do You Want to Build a Chatbot?

Make sales, save time, and nurture leads from start to live agent with ChatAI.

ChatAI is a best-in-class AI service that integrates easily with your own content. Your takeaway? An AI-powered chatbot designed to satisfy your unique brand goals and customer needs.

## How Does ChatAI Work?

## Use ChatAI for Better Agent Efficiency

- **Free up agents for more impactful tasks** when you let ChatAI handle routine inquiries.
- **Automatically ask pre-qualifying questions** with ChatAI so your agents can enter a chat armed with everything they need to nurture a lead, complete a sale, or resolve an issue.

## Watch Your Brand Score Soar

- **Give the gift of instant gratification**  
New and returning customers can instantly access the information they need before a smooth and automatic transition to a live agent. In other words, no...more...waiting.
- **Documents and resources without the search**  
No need for your chat agents to paw through archives for resources - ChatAI will do the digging for the info your website visitors want, sans search function

**Get ChatAI Now, Starting at \$99 per month**
